### **CD Presentations**

In this modern age some clients feel that they would like to print their photographs themselves or have their images on a CD. Whilst I will always advise clients that they would be well advised to allow a trained professional do their printing as the quality is vastly superior I do offer two packages.

<b>CD Package 1</b>	
A corrected CD of the original images with no proofs or album.	£750
A corrected CD of the original images with Proofs as supplied with the album packages but without album or enlargements.	£875
<b>CD Package 2</b>	
A corrected CD of the original images ordered with any of the album packages.	£300

### **Terms & Conditions.**

- A non returnable deposit of £250 is taken on booking.
- A further £250 two weeks before the wedding and the balance on collection of the proofs.

Alternatively, payment of the total amount outstanding after the initial £250 deposit may be paid by monthly instalments in advance of the wedding.
